## **School Choice International Receives Commitment to Excellence Platinum Award at Cartus 2011 Global Network Conference**

---

**(White Plains, NY October 2011)** –**School Choice International, the leading global educational consulting firm**, was honored for its outstanding performance at the Cartus Corp.'s 2011 Global Network Conference held October 10-12 in Denver, CO. Cartus Global Network is Cartus' industry-leading worldwide service provider network. Each year, Cartus recognizes the companies and individuals in the Network who have provided extraordinary service to its international customers and clients.

**School Choice International** was named winner of the Global Network *Commitment to Excellence* Platinum Award for its exceptional service results. This award recognizes a supplier's measureable commitment to excellence and is presented to Global Network service providers who have distinguished themselves by achieving critical performance metrics in our highest Commitment to Excellence category.

“Service providers such as **School Choice International** routinely go above and beyond for our customers and our company, while at the same time demonstrating unparalleled dedication and performance,” said Traci Morris, Cartus executive vice president, global operations and supply chain management. “As a vital extension of the Cartus team, we encourage our Global Network providers to be innovative and have created a forum for them to be recognized and share best practices. This award acknowledges the superior quality and professionalism that we have come to value from our service providers.”

**School Choice International scored at our highest metric levels of quality of its educational advisory and placement services and service delivery. Our corporate clients found their services invaluable when relocating with their families.**

**About School Choice International:**

School Choice International, headquartered in White Plains, N.Y., is the leading global educational consulting service specializing in school placement services in private, public and international schools, from nursery through college. The company was founded by educator Elizabeth Perelstein, one of *Fortune* magazine’s “2010 Most Powerful Women Entrepreneurs.” With more than 100 experienced consultants in 50 locations globally, School Choice International works with families, schools and employers, including Fortune 100 and Fortune 500 companies, to help find the right schools for children. An industry leader in bringing needed initiatives into the education arena, School Choice International founded the British International School; Global Education Explorer, the only Web-based resource for families to compare education across the globe; and Golden Pathways, a service that assists families in China who seek to educate their children in America. School Choice International also conducts research projects and policy analysis for corporations, schools and governments seeking strategic policy decisions or implementations.
