FOR IMMEDIATE RELEASE

INC. 500/5000 SELECTS SCHOOL CHOICE INTERNATIONAL TO ITS ANNUAL RANKING OF THE FASTEST GROWING PRIVATE COMPANIES IN AMERICA

(White Plains, NY- September 7, 2012) School Choice International, the world-leading school placement and educational consultancy, was just honored by Inc. 500/5000 as one of the fastest growing private companies in America for the second year in a row. School Choice International shares this prestigious distinction with such notable alumni as Intuit, Zappos, Microsoft, Oracle, Zipcar and scores of other powerhouses. As an honoree, Elizabeth Perelstein, President and Founder of School Choice International, will attend a conference and awards ceremony in Phoenix, AZ on October 3 - 5.

Since 1998, [School Choice International](#), and its consumer division, [School Search Solutions](#), have been helping families and corporations to select and place children in the right schools anywhere in the world. They work with gifted children, children with special needs, or any child whose parents want to make sure he or she is in the right educational environment. They recently launch [LEAP](#), an innovative web based resource for independent school selection.

School Choice has grown to have 100 consultants in over 50 worldwide locations, including 9 special educators. School Choice was founded on the concept of “goodness of fit” – no matter where in the world a family is located. They help families choose the best school for their children based on a full understanding of the child, including unique personal values and family circumstances. School Choice International’s extensive knowledge of educational systems and individual institutions help families to receive personalized services based on the child’s and family’s needs. From answering questions about different education programs, to researching

the right fit for children, School Choice International guides families as well as corporations with global programs, through educational transitions, research and thought leadership.
