The School Choice Group announces The Michael Perelstein Memorial Scholarship Fund 2015

\$20,000 Scholarship fund created to support New York City school age children to pursue their unique passions and talents

(White Plains, NY-June 2, 2015) [The School Choice Group](#), the global education consulting firm headquartered in White Plains, New York, in partnership with [The Parents of Accelerated Learners, NYC \[PALNYC\]](#), just announced the third annual Michael Perelstein Memorial Scholarship Fund “**The Discover Your Passion Competition**” for New York City based students from second through 8th grade. The scholarship awards children who show exceptional promise and passion for their unique individual interests and passions to include academic fields, sports, music, the arts, community service, entrepreneurship, technology, etc. The focus on individual passion and the personal story behind the fund are what make this scholarship unique.

Elizabeth Perelstein, the Chair and Founder for the School Choice Group, established this scholarship fund in 2013 to honor her late husband, Michael Perelstein. Michael died at the age of 56, while he was riding with the Westchester Cycle Club, one of his personal passions. A child of Holocaust survivors, Michael was directed by his parents to consider career and life choices based on practical or financial reasons, and not by his personal interests and unique talents. The Perelstein children followed a different path, pursuing their own passions. Michael then realized the true importance of nurturing passion and talent and even changed careers to support his own. As a result, supporting the passions and talents of children is the mission of The Michael Perelstein Memorial Scholarship Fund.

“I know Michael would have wanted to create opportunity for young people and, in our third year, I can say that the children who have benefited from the scholarship keep Michael's memory alive through their hard work, dedication, and success. I am pleased to be able to affect the educational paths of talented youngsters as a result of Mike's tragic death,” said Elizabeth Perelstein.

The Discover Your Passion™ Competition will award the grand prize winner \$5000 toward his or her pursuit; 3 second place winners will receive \$3500, and 3 third place winners will receive \$1500, for a total of \$20,000. Finalists will be selected from each of two age categories: 2-5th grade; 6-8th grade. The scholarship winners will be announced and

awarded their prizes in October in New York City. For complete information about the scholarship and to apply see www.schoolchoicegroup.com
